

Carrickfergus in Bloom

Working outside in every weather,
Trying to make it even better,
Red, Orange, Pink and green,
Colours blooming, fit for a queen,

But everyone will be welcome to Come and See,
How beautiful a garden can really be,
Everyone lending a hand, with little rest,
and nature trying her very best,

RECEIVED

30 SEP 2011

Wind and rain, Snow and 'Sun,
Carrickfergus in Bloom is So much fun.
